Itinerary

Day 1: Hong Kong - Reykjavík (via Helsinki)

Take the flight to Reykjavík. Upon arrival, transfer by Flybus shuttle bus (no guide) from Keflavik Airport to Hotel in Reykjavík.
 Hotel: Centerhotel Amarrhvoll or Centerhotel Plaza or similar

Day 2: Reykjavik City Tour & Borgarfjörður Saga Valley (B)

At 09:00 meet your tour guide who shows the group the highlights of Iceland's exciting capital. Then we head west. Borgarfjörður is known as the Saga Valley because of its many important historical events. We get a chance to climb the Grábrók volcano crater and visit Deildartunguhver, Europe's most powerful hot spring which produces 180 litres per second of water that is nearly boiling - 97° Celsius. Hraunfossar is a series of waterfalls pouring from beneath a wide lava field. Barnafoss – the Children's falls, is nearby with its own tragic tale. After dinner, we step into the hotel garden in search of the Northern Lights followed by a hot cup of chocolate or tea.

Hotel: Icelandair Hotel Hamar or similar

Day 3: Snaefellsnes Peninsula & Fjord Cruise (B, L)

We travel to the charming fishing town of Stykkishólmur on the Snaefellsnes Peninsula for a cruise in the Breiðafjörður fjord. After a light lunch a uniquely Icelandic "treat" awaits us at Bjarnarhöfn, where they make Hákarl - the fermented shark. Depending on road and weather conditions, we visit the fishing village of Grundarfjörður, a place with an impressive coastline and mountains, lakes and waterfalls behind the village. Jutting out into the bay rises one of the most photographed mountains in Iceland, Mt. Kirkjufell. Naturally, once darkness falls, we are out in the hotel garden to chase the Northern Lights and to soak in the hotel's outdoor hot tubs.

Hotel: Icelandair Hotel Hamar or similar

Day 4: Golden Circle, Geothermal Taste & Icelandic Horses (B)

Today we travel along the scenic Hvalfjörður fjord and turn inland to Þingvellir National Park, a UNESCO World Heritage site. We continue to Gullfoss and Geysir geothermally fields, where you can taste freshly baked hot spring bread served with Icelandic butter, geothermally boiled eggs and herring. In the afternoon, you learn about the Icelandic horse, its special qualities and history and visit a geothermal greenhouse, before we reach the accommodation in South Iceland. Tonight, step into the darkness and search for the elusive Northern Lights, while best enjoyed from a comfortable hot tub in the garden of the hotel, amidst the peace and stillness of rural Iceland.

Hotel: Fosshotel Hekla or similar

Day 5: Natural Wonders of South Iceland & Eyjafjallajökull Volcano (B)

Today we travel along the South coast. At the Eyjafjallajökull Information Center, we learn about living next to a glacier and an active volcano. Further east we visit one of Iceland's finest folk museums. This museum contains an outstanding collection of farm and domestic artefacts from Iceland's past and several turf-built houses. Nearby is Skógafoss waterfall which is 60 meters high and one of the most impressive waterfalls in the country. In the afternoon we take a stroll on the black lava beach and along bird cliffs at Reynisfjara in South Iceland. We spend 2 nights near Kirkjubæjarklaustur in the Vatnajökull National Park region, located in darkness and ideal for Northern Lights search.

Hotel: Fosshotel Núpar or similar

Day 6: Skaftafell National Park & Vatnajökull Glacier (B)

Today's program is all about glaciers, ice and icebergs. We travel to Jökulsárlón, a glacial lagoon filled with floating icebergs, and we explore the extraordinary site and might see seals swimming in arctic waters. You can walk on the black sandy beach where large icebergs get stranded. In the afternoon we visit the tiny turf church at Hof and spend time at Europe's largest national park, which has Iceland's highest mountains, an alpine environment, and Europe's largest glacier. In the evening enjoy a film presentation about the Northern Lights as part of the Northern Lights Academy program. Be careful not to go to bed too soon in this remote and quiet location or you may just miss out one more chance of seeing the Northern Lights shimmering and dancing across the night sky.

Hotel: Fosshotel Núpar or similar

Day 7: South Shore, Reykjavik & Blue Lagoon (B, D)

From Kirkjubæjarklaustur we head across the Eldhraun lava field to the village of Vík, where we make a photo stop. The black lava beach with high bird cliffs and pounding waves is very impressive. Further west we reach the high but narrow Seljalandsfoss waterfall which plunges from the mountain. In the afternoon we return to Reykjavik and have about 2 hour leisure time to explore Iceland's capital on our own, visit museums, do some shopping or simply rest after all this touring. In the evening, we get to soak in the famous Blue Lagoon. After an Icelandic farewell dinner at a local restaurant, we go on one last nocturnal tour to seek more Northern Lights. Around midnight we reach Reykjavik for one last night.

Hotel: Centerhotel Amarrhvoll or Centerhotel Plaza or similar

Day 8-9: Reykjavik - Hong Kong (via Helsinki) (B)

Individual transfer by Flybus airport shuttle bus (no guide) to Keflavik Airport for departure

Daily Driving: Total mileage without airport transfer is about 1.585 km (983 miles) which is an average of 265 km (164 miles) per day. You spend about 3,5 hours per day on the bus, depending on road conditions, traffic and daily distances. On some days the driving might be longer than on some other days.
